

Cut out the 7 Pentagon pieces below and put them in order by using the numbers written on each piece. Then glue those pieces into the timeline in the correct spots. Read each piece and think about what happened and what it teaches us.

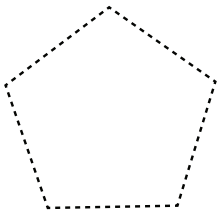

Brave people rushed in to help and rescue others.

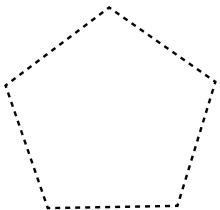

A fire broke out and spread throughout the building.

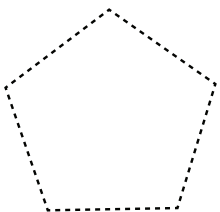

It was a regular morning at the Pentagon.

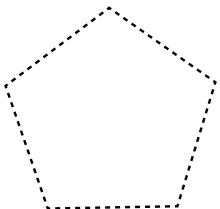

Families tried to contact loved ones.

At 9:37 AM, a plane crashed into the Pentagon.

We remember and honor those who were lost.

People evacuated to get to safety.
